

CHALET CORBLETTES

MERIBEL VILLAGE, SLEEPS 8

SKI:FISH&PIPS

CHALET CORBLETTES is perfect for those wanting more than your average self catered chalet. Located in Meribel Village, Chalet Corblettes is just 70m from the high speed Golf chairlift and the blue Lapin piste. On top of this, guests were able to ski back to the chalet terrace all of last winter. The chalet is also only a 2 minute walk from the hub of the Village with its famous bakery, small supermarket and restaurants. Chalet Corblettes is made up of 4 double/twin rooms, 2 upstairs and 2 downstairs, all with en suite shower/bath and sink. There is one WC upstairs to share between 2 bedrooms and likewise downstairs making it ideal for 2 families or a group of friends. There is a small mezzanine upstairs overlooking the open plan living area and kitchen. Traditionally alpine in style with open fire and Goldilocks bedrooms, Chalet Corblettes has a cosy and homely feel. The open plan living and dining area has high ceilings and large French doors that open up onto a south-facing terrace kitted out with deckchairs – a perfect sun trap. Chalet Corblettes has all the mod cons with wireless internet available from your laptop, Freeview Sky TV and boot warmers.

Chalet Corblettes operates on a self catered basis, however we do self catering with a difference.... At Fish & Pips we also offer an upgrade service; you can have a daily clean, logs delivered, your shopping bought for you ready for arrival, fresh bread and / or Daily UK newspapers delivered, and even a breakfast hamper, afternoon tea or meals ready for the oven delivered to your door.

For further details on our Fish&Pips service, send us an email to enquiries@fishandpips.com or call +44 (0) 845 474 1054

Fish & Pips have an energy about them that is positively infectious. Few chalet companies can offer skiers such a potent mix of great food, delicious wines and brilliant access to the mountain. Their staff are unfailingly charming, willing and efficient. This is a young company with a great future.
