

CHALET LE CHRISTOPHE

MERIBEL VILLAGE, SLEEPS 8

SKI:FISH&PIPS

CHALET LE CHRISTOPHE is fantastic for the keen skier; you can't get much closer to the slopes! You simply need to cross the small car park and you're on the piste, able to put your skis on and have the luxury of skiing (20metres!) to the chairlift. On top of this, our guests were able to ski back to the chalet car park all of last winter. Chalet Le Christophe is moments from the hub of Meribel Village with its great bar, famous bakery and convenient supermarket. The chalet comprises of 4 double/twin bedrooms all with full en suite bathrooms. There is also a separate downstairs cloakroom. The chalet was built in traditional alpine style in 2000 and is in great condition with a homely feel. Le Christophe is ideal for both families and friends. The living and dining area is open plan with open fire, comfy sofas and huge bean bag; large glass doors open onto the west-facing terrace where children can play safely in the snow. The chalet is equipped with all the mod cons such as wireless internet available from your laptop, Sky TV, boot warmers

Fish & Pips have an energy about them that is positively infectious. Few chalet companies can offer skiers such a potent mix of great food, delicious wines and brilliant access to the mountain. Their staff are unfailingly charming, willing and efficient. This is a young company with a great future.
