WE ARE PROUD TO CALL OURSELVES MÉRIBEL VILLAGE SPECIALISTS. WE LOVE IT. IT IS OUR HOME AND IN OUR EYES, THE BEST LOCATION IN THE 3 VALLEYS.

The Village is a unique spot nestled just outside of the main town of Méribel and where all of our chalets are situated now. We are delighted and extremely excited to say that as we move into Winter 18-19 we will be coming back to our roots and operating solely in Méribel Village. It is where it all began for us at Fish&Pips in 2006, and it is now where we call home, where we know and where we love!

Our Méribel Village chalet portfolio continues to flourish. We have some exciting changes for this season and can't wait to get going. Chalet Baita (previously Corblettes) is currently under major refurbishment, in a similar style to its neighbour Chalet Le Koissou (previously Braye!) which was renovated two years ago with tremendous success. Chalet Cerf Rouge was an amazing addition to our catered collection last season and continues to impress. Our new 10 bed, high-spec self-catered property Marmotte is already proving very popular. Our self-catered service and chalets are increasingly successful - our partnership with COOK last year has been a fantastic addition and guests enjoy the 'semi catered' flexibility that we are often asked to provide.

We see guests return year after year once they have experienced a stay in the Village. It has a unique atmosphere and is self-contained with its own mini supermarket, clothes shop, fantastic bakery and patisserie (renowned for being best in 3 Valleys!), restaurants and great après bar, Lodge du Village, with live bands almost every night.

Other perks include the high speed Golf chair lift (never a queue), access to the 3 Valleys epic ski terrain, the easy blue 'Lapin' run into the centre of the Village and regular public bus service (as well as our driver service). It works well for friends, families and corporate groups alike. We also have a strong network of trusted suppliers and partners that we work with to bring you the very best of Méribel. In our opinion Méribel Village has something for everyone.

Why would you look anywhere else?
