TIPPLES LIST

In addition to our Wine List, we now also have a cocktail, spirit and digestif selection for you to choose from.

SPIRITS & COCKTAILS

SPIRITS

This year we are excited to introduce our small but perfectly formed spirit range. We have selected a quality brand for each spirit we deem 'essential' - gin, vodka and rum. These are all available by the bottle for £35. We will of course provide the necessary extras (ice, mixers and lime) and your host will prepare the drinks for you as and when you are thirsty.

COCKTAILS

For those of you wanting to be a little more adventurous you can take us up on our new cocktail service for £55 per bottle. We have selected a few of our preferred cocktail options for each spirit - you can either choose which one you would like or leave it to us to prepare one of each throughout the week. Within this price we will provide all the ingredients and the cocktail shaking labour!

GIN - SIPSMITH

In 2009 the Sipsmith brothers launched the first copper distillery in London for 189 years, bringing the lost art of traditional small batch gin distillation back to the city where it all began. From unassuming beginnings on a quiet residential street, Sipsmith is now enjoyed by discerning spirit sippers the world over. Passionately committed to their handcrafted ethos this band of brothers is a pioneer in the golden renaissance of gin appreciation.

Sipsmith's multi-awarding winning gin is the marriage of a traditional recipe of 10 classic botanicals and a genuinely hand-crafted process delivering the quintessential expression of the London Dry style.

F&P

RUM - THE DUPPY SHARE

The Duppy Share is a new artisan golden Caribbean rum blend from the islands of Jamaica and Barbados.

A big, bold, three year old, 100% Jamaican rum packed with tropical fruit notes up front followed by a smooth, five year old Barbadian rum, giving a warm, buttery finish.

The Duppy Share takes its name from the ghosts of Caribbean folklore known as duppies. Legend has it that the duppies swoop between islands stealing rum as it's left ageing in old oak barrels. Spirit masters, skilled in the fine art of blending, the duppies take only the best.

THE DUPPY SHARE COCKTAIL LIST

The Duppy Conqueror – fresh lime juice, bitters, sugar syrup and nutmeg
