## F&P MINI MENU

It is important to us that your children are well fed and happy. We have put together a balanced menu to give them the nutrition and sustenance required, but with the odd holiday treat thrown in too. Please find our Mini Menu below. For little ones that cannot yet manage a meal, the chef can whip up some tasty purees. Do let Lucy know your thoughts and any dietary requirements before arrival so we can get it right for you and your little ones. We can accommodate dairy free, gluten free, vegan and other allergies. Please let us know if there is a birthday in the group and we'll be sure to have cake and candles at the ready.
