SLEEPS 8-9

Chalet Vallon is luxury with a view. Sleeping up to nine people, this luxurious chalet is traditionally alpine in design, spacious and boasts stunning views across Méribel village and the whole valley. Just a couple of minute's walk from the Golf chairlift, the location of this chalet gives you the perfect combination of peace and tranquility with easy access to lifts, pistes and everything the village has to offer. Du Vallon is perfect for families and groups of friends, with comfortable open plan living and good-sized en suite bedrooms – two of which have their own balconies. We love the views from the balcony of the large living area on the second floor – it's not a bad spot for a hot chocolate or glass of wine after a day on the slopes. Families love the entertainment room, whilst the steam room and the heated boot warmers get everyone's thumbs up.

WE ARE PROUD TO CALL OURSELVES MÉRIBEL VILLAGE SPECIALISTS. WE LOVE IT. IT IS OUR HOME AND IN OUR EYES, THE BEST LOCATION IN THE 3 VALLEYS.

Guests who discover Méribel Village return year after year. It really is the perfect base for your stay in The Three Valleys.

All of our catered and self-catered chalets are in Méribel Village – a quiet spot nestled just outside the main centre of Méribel. With unbeatable access to the slopes, a superb ski route home and all amenities close to hand, we're sure you'll agree it's a hidden gem.

This is where Fish&Pips started in 2006, and it has been our home ever since. So we can safely say that we are Méribel Village specialists. And since we know it like the back of our hand, we can give you all the insider tips.

Our Méribel Village chalet portfolio continues to flourish year on year. In the last few years we have seen two of our Chalets, Baïta and Le Koissou, undergo huge high spec renovations. We have also added luxury Chalet Cerf Rouge and now new for winter 2019 beautiful Chalet Du Vallon to our catered chalet offering. We continuously look for ways to improve our product offering and so have chosen Marmotte to be a serviced self-catered chalet, which we like to describe as self-catering with an extra hand. Our self-catered extras and service is increasingly successful. Our partnership with COOK has sparked a new partnership with the Chalet Chef Deliveries, to allow guests the 'semi catered' flexibility that we are often asked to provide. We see guests return year after year once they have experienced a stay in the Village. It has a unique atmosphere and is self-contained with its own mini supermarket, clothes shop, fantastic bakery and patisserie (renowned for being the best in the Three Valleys), restaurants and a great après bar, Lodge du Village, with live bands almost every night.

Other perks include the high speed Golf chair lift (never a queue), access to the 3 Valleys epic ski terrain, the easy blue 'Lapin' run into the centre of the Village and regular public bus service (as well as our driver service). It works well for friends, families and corporate groups alike.

We also have a strong network of trusted suppliers and partners that we work with to bring you the very best of Méribel.

For the non-skier there is plenty to see and do around Méribel; from scenic walks, swimming, ice-skating, snowshoeing, a ride up and down the mountain to check out the scenic views, sampling the alpine restaurants or just relaxing in a deckchair in the sunshine with a book.

In our opinion Méribel Village has something for everyone. Why would you look anywhere else?
