Fish&Pips

The Friendly Travel Experts

DRIVER & MAINTENANCE

Are you looking for a position that gives you plenty of ski time in one of the best resorts in the world? Come and join the Fish & Pips team this winter! Fish & Pips is a small and friendly chalet company based in Meribel.

We pride ourselves on our exceptional food, friendly and professional service and superb chalet locations. As a proactive member of the team, your responsibilities will include providing a shuttle service to guests working on a rota basis with the other drivers. You will have a great deal of guest interaction so must have excellent client facing skills. Enthusiasm for skiing or snowboarding or wanting to learn is essential.

Applicants with a clean D1 driving licence and Driver CPC, RosPA qualified drivers or applicants with two years professional driving experience are preferred, but not essential - a good driving record is essential as well as having the ability to drive a 9 seater, long wheel based minibus in all conditions - including snow and ice. Most importantly we are looking to build a team that works well together both in the chalets and out on the slopes. Years of experience has proved to us that this team work is key to the success not only of Fish & Pips but also your season.

"From waking up first thing in the morning in the mad house, ensuring everyone makes it up the hill to work on time to settling into your working day and trying to race everyone else to be the first out on the hill! No two days are ever the same, and every week of guests brings new faces into the chalets. New dinner chat, new laughs and new experiences."

Duncan, f&p chalet chef 2012-2015

DRIVER & MAINTENANCE

Our driver roles are extremely varied and you will be the glue for the rest of our team working in chalets - team work and flexibility are essential traits for the successful candidates. There are lots of adhoc duties including snow clearing, shopping trips, stock takes, also providing host cover in chalets when needed.

We are looking for a hard-working team to maintain our high standards with masses of enthusiasm for the job in hand, a love for the mountains, an eye for detail and a professional attitude. We value our staff hugely as we recognise they are fundamental in ensuring all of our guests enjoy every aspect of their holiday. We are firm believers in looking after our staff and that a happy team makes for happy guests! We provide: 3 Valley season pass, generous staff accommodation, a competitive package, more skiing time than most, amongst numerous other perks you get from working in small team such as ours.

Hurry, we only have a small number of positions to fill!

REQUIREMENTS FOR POSITION:

- D1 DRIVING LICENCE & DRIVER CPC, ROSPA QUALIFICATION OR TWO YEARS DRIVING EXPERIENCE IS HIGHLY DESIRABLE
- EXPERIENCE IN GENERAL MAINTENANCE OR A SPECIFIC TRADE (CARPENTER / ELECTRICIAN / PLUMBER)
- OVER 23 YEARS OF AGE - THIS IS DUE TO INSURANCE REQUIREMENTS
- BASIC KNOWLEDGE OF VEHICLE MAINTENANCE
- MUST ELIGIBLE TO WORK IN THE UK, HOLD A NATIONAL INSURANCE NUMBER AND IN WHICH THEY HAVE ALREADY MADE CONTRIBUTIONS TO AND A UK BANK ACCOUNT

"Whether you're fortunate enough to work for the f&p family is entirely up to you, but I suggest you take the chance and get ready for a full on winter of friends, new family, lots of skiing and more fun than you knew could be had in those temperatures!!"
